FRIDAY, AUGUST 18, 1900

In our purchase of Alaska we witnessed Russia's hand but not her soul.

Senator Hill has introduced a bill repealing the present electoral college law, one of the worst Republican measures the country has had to endure.

Henry Hall, one of the worst desperadoes in the mountains, was executed at Nashville last Friday for the murder of his brother in June 1892.

The anti-slavery men claim a majority of from 22 to 40 for the Wilson ticket in the House, but in the Senate the free traders seem to have a clear majority of eight.

The Stinking Fund Commissioners met Monday and elected G. H. Stone, of Spencer county, clerk at the preliminary, vice Theo. H. Corbett, who resigned. It was also decided to work a chair plant and put 600 convicts to work.

Mr. E. E. Nash is formally announced as a candidate for the Democratic nomination for the legislature in Trigg county. The race between him and Col. Foster is expected to be an interesting one, from the present standpoint, a doubtful one.

The remarkable fact is called to mind in an article that will appear in the September Forum on Confederate Treason that there are 400,000 more pensioners on the Government pension rolls than there were soldiers in the Confederate service.

The Bowling Green Council has unanimously decided to grant licenses again and the saloons will be reopened without a further contest in the courts. All lands are agreed that the local option law was passed by a constitutional majority and in therefore null and void.

Mr. A. S. Michie, who is at the head of the Royal Bank of Scotland, has explained to the Secretary of the Board of the Foreign and Commonwealth Bank, the practical workings of a system that places a bank in every small community and that helps every man of industry and character with capital.

The impression is so strong that Judge Grace will seek a higher position that there are already several prospective candidates for his shoes and the Cincinnati Times has been the subject of the latest on the subject: "The runner has a straight tip that Judge John R. Grace will be a candidate for the Appellate bench. We say this is a straight tip and we know what we are saying as we have it from one of the warmest personal friends here who has been a close friend of his since the days of his own life."

The race for judge of the Court of Appeals in the district above this promises to be a red hot one between Judge W. H. Yost and Willis L. Byrnes. The candidates live in the adjoining counties of Muhlenberg and both are able and experienced lawyers. Judge Yost will start in it, it is claimed, with the solid support of the counties of Green River, county to nominate without Warren county, who are saying as we have it from one of the warmest personal friends here who has been a close friend of his since the days of his own life."

The reforming spirit of the difference between the United States and Great Britain, has decided against the United States on every point submitted. The following are the Board of Arbitration: From the United States, John M. Harlan, of the United States Supreme Court, and Senator John P. Morgan; from England, Lord Hanbury and Sir John D. Thompson; from Italy, Marquis Emanuele Visconti Venosta; from France, Baron Alphonse de Courcy; and from Russia, Judge Grigoriy V. Gromyko, of the Christiana Supreme Court.

The Des Moines Inquirer feels called upon to declare "The Christian County Democratic Committee has unanimously requested Hon. W. T. Ellis to plant himself on the Democratic platform as candidate for Illinois. Our neighbors seem to have overlooked the fact that our fellow-citizen is a Democrat, and was elected by Democrats, on the Democratic platform. What signs of weakness in his part they have discovered, sufficiently pronounced to demand this extra 'resolving' on their part, we are not advised of. We do not see how it can be a Democratic body memorializing a Democratic office holder to stand firm in his faith. If Mr. Ellis has been doing any back-sliding, let us say it. We don't like to have the Vice county article impugned. We do a straight good over here, like other caps. Ellis would probably like to know what he has done to cause the Christian County Committee's apprehensions as to the rigidity of his spinal column." The resolution referred to was by a body of a committee that is in favor of the tolling currency and opposed to the gold standard. Capt. Ellis, we believe, will never consent to the further degradation of silver and the expansion of its circulation in the currency.

# The Senate Halls, a flimsy affair in which the hand but not her soul.

The dispatches tell us that Mrs. Cleveland drove out to the postoffice after the mail Monday.

Mr. Noyes Clark has represented the Democratic nomination for the legislature from the city district of Bowling Green in the next Legislature. He is a well-known young lawyer, 29 years of age and very popular. W. S. Hill, clerk, Josiah Gray, clerk, J. S. Forry, sheriff.
